organization

## INTERNSHIP

Graphic Designing Intern  
Saksham NGO |Tanda, Uttar Pradesh

June '23 - July '23

- Worked closely with the NGO team to understand and fulfill design requirements effectively.
- Contributed to design projects supporting Saksham's mission for two months as an intern .
- Successfully met project deadlines, showcasing effective time management.

## PROJECTS

- Personal portfolio Sep'23
  - Domain: HTML and CSS
  - Displays your expertise and achievements in one place.
  - Allows you to present your work in a style that best meets your objectives.
  - Provides a venue for a global audience to view your work.
- Automatic car parking system Oct'23
  - Domain: Arduino uno
  - It uses sensors and cameras to detect available parking spaces.
  - It offers a user interface that allows drivers to interact easily.
  - It minimizes the chance of accidents and consumption of fuels.

## ACHIEVEMENTS

- I recently launched my personal portfolio website where I showcase my projects, skills, and services.
- Working as a Team Coordinator and Graphic Designer for InnvoXus, a student organization in Lovely Professional University.
